

Pittsburgh Collection

Due to the inherent qualities of the wood, surface cracks may appear.

An unlevel surface may be present.

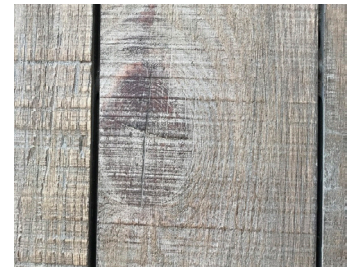

Saw marks show signs of age and use.

Nailheads and iron accents are hand painted, creating a worn appearance.

The edge of the table top features a color gradient.

Knots may be present due to the natural characteristics of pine wood.

FEATURES

The Pittsburgh Collection is beautifully hand-crafted of pine wood, and planked for a natural, rustic look. Each top features hand painted iron accents with nailheads that may have color variation. The surface may have natural cracks, color variations and saw marks due to the inherent characteristics of the wood.

CARE INSTRUCTIONS

Dust often using a dry, soft cloth

Wipe spills immediately

Avoid using harsh chemicals and abrasives as they may damage the finish

For indoor use only
