Important Safety Instructions:

- Please read all instructions carefully before assembling.
- Keep instructions for future use.
- Use only vendor supplied hardware to assemble. Using unauthorized hardware could jeopardize the structural integrity of the item.
- **WARNING:** Do not place your hands in the folding part of your table as your fingers may get injured when the table is closed.

Pre-assembly:

- Remove all parts and hardware from the box and lay out on a clear carpeted or scratch-free work surface, as this will avoid damaging parts during assembly. The shipping box provides an ideal work surface.
- Do not dispose of any packaging or contents of the shipping carton until assembly is completed to avoid accidentally discarding small parts or hardware.
- Use the parts and hardware lists below to identify and separate each of the pieces included.
- The illustrations provided allow for easier assembly when used in conjunction with the assembly instructions.
- The use of power tools to aid in assembly is not recommended. Power tools can damage product.
