

POTTERY BARN

Printers Lateral File Pedestal Assemble Instructions

Pre-Assembly:

- Please read all instructions carefully before beginning assembly
- Save all packing materials until the item is fully assembled to avoid accidentally discarding any small parts or hardware.
- Use the parts and hardware lists to identify and separate each of the components included.

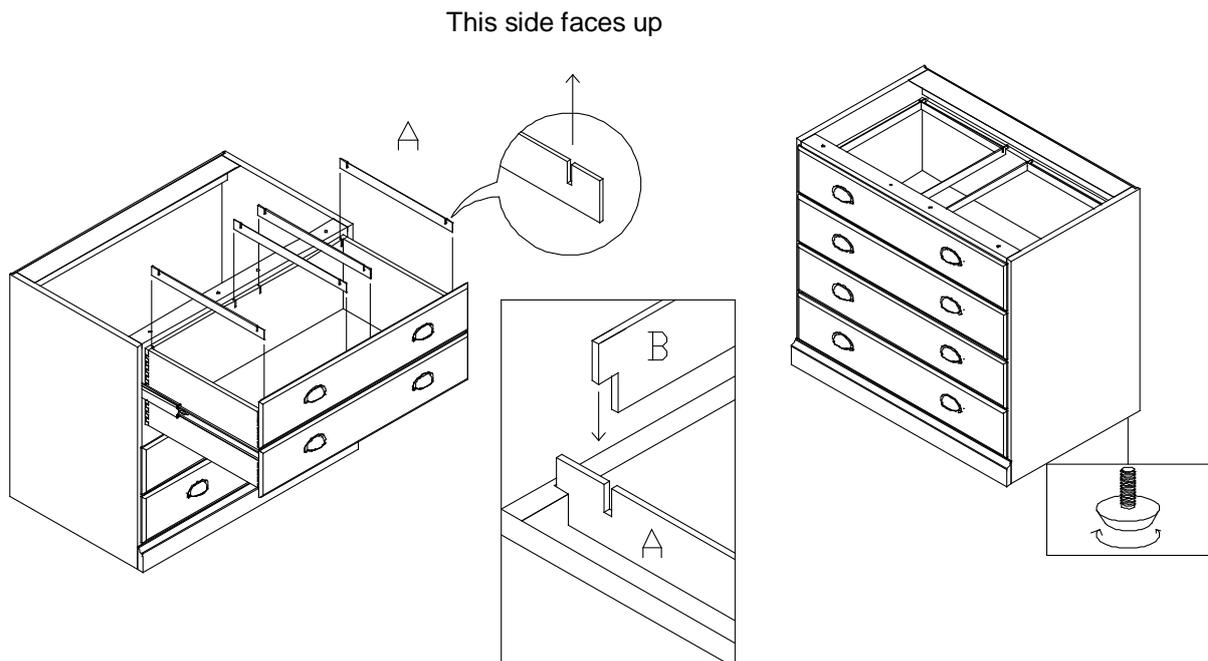

Hardware Enclosed:

(8) Long File Bar - A	(8) Short File Bar - B
	

Assembly Instructions:

1. Pull out the top drawer. Insert the (4) Long File Bars (A) into pre-cut groove at front and back panel of drawer box with the cut-in facing up then place the (4) Short File Bars (B) with the cut-in facing down, slot into the cut-in at two ends of the Long File Bars (A).

Note that only one drawer can be pulled out at one time because of this pedestal has an inter locking system which is attached on the right side panel

2. Repeat above step with bottom drawer. If the pedestal doesn't sit level, adjust the leveler under corners inside the base. Assembly is completed.

Care Instructions:

- For daily cleaning, wipe with a soft damp cloth. Wipe dry immediately.
- To protect the finish, avoid the use of chemicals and harsh cleaning agents.
