Lit Mirrored Star Topper

These instructions are for your safety. Please read them thoroughly before use and retain for future reference.

THIS PRODUCT IS MEANT FOR DECORATIVE USE ONLY.

THIS IS NOT A TOY. KEEP OUT OF REACH OF CHILDREN AND PETS.

Before You Start:

Decide on an appropriate location for your product (see **Placement Instructions** below).

- 1) This product is suitable for indoor and outdoor use.
- 2) Do not position or place near heaters or any other direct sources of heat.
- 3) Always position wire leads so as not to cause a tripping hazard to the elderly, pets and children.
- 4) **DO NOT** position this product where it may become covered by other items e.g. curtains, nets or bedding.
- 5) Do not mount or support this product in a manner that can cut or damage wire insulation.

Components Included:

This decorative lights includes 25 non-replaceable LED Light Bulbs preassembled with the product.

Battery Box for (3) three AA batteries (1.5V, type LR6, not included)

Pre-Installation:

- Note: This product comes fully assembled.
- Remove all parts and hardware from box along with any plastic protective packaging, taking care not to damage or twist the wires while unpacking.
- Check the product before use for loose or damaged wiring and that all the bulbs are secure.
- Do not discard any contents until after set-up is complete to avoid accidentally discarding small parts or hardware.

Battery Installation and Care:

To open the cover of Battery Box, release the buckles and turn right. Remove previously installed (old) batteries. If needed, clean the new battery terminals and also the Battery Box contacts prior to battery installation.

- Install three (3) new AA batteries (1.5V, not included), taking care to match the battery direction to the polarity markings displayed inside the battery compartment (+ and -). High quality alkaline batteries are recommended for maximum battery life.

- Close battery cover and secure with the buckles
- Remove all batteries if this product is to be stored or not used for an extended period of time.
- Remove used batteries promptly.
- **Always Replace batteries as a simultaneous set.**
- **Do Not Mix Old And New Batteries. Do Not Mix Alkaline, Standard (Carbon - Zinc), Rechargeable Nickel - Cadmium or**

Rechargeable Nickel Metal Hydride Batteries

• **CAUTION:** To avoid explosion or leakage, do not dispose of batteries in a fire or attempt to recharge standard or alkaline batteries. Please dispose of batteries safely according to the battery manufacturer's instructions or recycle battery per state and local codes. If battery leakage occurs and comes in contact with the skin or eyes, wash immediately with plenty of water. Batteries should be handled under adult supervision. If the device is not to be used for an extended period of time, remove the batteries to prevent damage or injury from possible battery leakage.

To set the battery box switch to the desired mode:

- Timer, the LED bulbs will light up for 6 hours and automatically shut down after 6 hours of continuous use. 18 hours later, it will light up again. (24 hours a cycle)
- Turn On, the LED bulbs will stay lit and without timer function
- Turn Off when not in use to save battery life.

If the lights fail to light-up properly, please check the following:

- Open the Battery Box, check the expiration date on the installed batteries.
- Check that the batteries are all correctly positioned within the battery compartment.
- If needed, replace with new batteries as a simultaneous set.
- Check if the battery terminals and Battery Box contacts are clean.
- This product uses long-lasting, non-replaceable LED bulbs.

Use and Care Instructions:

Before using or reusing, inspect product carefully.

Discard any parts that have cut, damaged, or frayed wire insulation or cords, cracks in the lampholder or enclosures, loose connects or exposed copper wire.

This seasonal use product is not intended for permanent installation or use.

When storing the product, carefully remove the product from its location, to avoid any undue strain or stress on the product conductors, connections, and wires.

When not in use, store neatly in a cool, dry location protected from sunlight.

Clean the product with a soft, dry cloth. Do not use solvents or abrasive cleaners as they may damage the finish.

FCC & IC Related Information

"This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation."

Caution: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

"NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help."
