

ABOUT PAINTED MAHOGANY

Our Hampstead Painted collection is crafted from responsibly harvested, plantation-grown Forest Stewardship Council (FSC) certified mahogany, a dense hardwood that's ideal for outdoor furniture because it's rich in moisture-resistant oils. Hand finished in layers for superb weather-resistance in a process that involves staining, sealing, painting and edge rubbing the wood before applying a final coat of polyurethane.

WHAT TO EXPECT

The gloss will decrease over time with good color retention. Hairline cracking and/or peeling is inherent in stained outdoor woods and may occur over time and is not considered a defect.

CARE AND MAINTENANCE

While weathering and color variation over time is natural for wooden outdoor furniture, we recommend the following care for best results.

- We recommend storing wood furniture indoors out of season. Make sure furniture is completely dry before storage.
- Cover furniture with outdoor covers (sold separately) when left outside during inclement weather or when not in use.
- Store cushions separately from furniture to prevent possible transfer of moisture.
- Wipe spills with a clean dry cloth.
- Avoid the use of harsh cleaners and abrasives.
