

ABOUT ALUMINUM

Our Riviera collection is crafted from lightweight, rust-proof aluminum which will not corrode over time.

WHAT TO EXPECT

Aluminum is highly resilient and one of the lowest maintenance materials for outdoor furniture.

CARE AND MAINTENANCE

We recommend the following care for best results:

- Cover furniture with outdoor covers (sold separately) when left outside during inclement weather or when not in use.
- Make sure furniture is completely dry before covering.
- Store cushions separately from furniture to prevent possible transfer of moisture.
- Wipe spills with a clean dry cloth.
- Wash frame with a mild solution of soap and water; rinse with clean water and dry thoroughly.
- Avoid the use of harsh cleaners and abrasives.
