LEATHER

We offer a range of leather colors, types and styles that are closely reviewed for consistency and shade alteration against an approved quality standard. Our full aniline-dyed leathers highlight the natural characteristics that make each piece unique. Our semi aniline-dyed leathers have a special finish that provides a more uniform color over time.

- **ALL:** 100% Top Grain Aniline Leather
Spot clean with cloth and distilled water. Thorough cleaning by a leather specialist only. Over the counter cleaning products are not recommended.

To keep your upholstered and slipcovered furniture looking its best, it's important to use proper cleaning methods based on fabric content. It's best to dust and vacuum the fabric regularly, and avoid direct heat and sunlight.
