

POTTERY BARN

Ferah Lamp Base Assembly Instructions

IMPORTANT SAFETY INSTRUCTIONS:

- For safety purposes, this lamp is equipped with a polarized plug (one blade is wider than the other). If the plug does not fit securely into your outlet, do not force it – contact a professional electrician. Use the plug with an extension cord only if it can be fully inserted into the cord's socket. Never alter the plug in any way.
- These instructions are provided for your safety. It is important that they are read carefully and completely before assembling fixture.
- This fixture has been rated for up to 60-WATT MAXIMUM TYPE A bulb and for CFL wattage bulb 13-W. To avoid the risk of fire, do not exceed the recommended wattage.
- For your safety, use only shades with an open top with a measurement of at least 3.5" in diameter.
- Save these instructions.

Warning:

- To reduce the risk of fire, electrical shock, or personal injury, always turn off and unplug lamp and allow it to cool prior to replacing light bulb.
- Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.
- Keep flammable materials away from lit bulb.

Pre-assembly:

- Removed all parts and hardware from box along with any plastic protective packaging.
- Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

Parts Enclosed:

- (1) Lamp base (G) with pre-assembled:
 - (1) Two-pronged saddle (F)
 - (1) Socket (E)
- (1) Harp (C) with:
 - (2) Harp caps (D)
 - (1) Harp nipple (B)
- (1) Finial (A)

To Assemble:

1. Gently squeeze both sides of the harp (C) and insert the ends into the saddle (F). Lower the two harp caps (D) until they cover the two-pronged saddle on the lamp base (G).
2. Remove finial (A) from the harp (C).
3. Place lamp shade over the assembled harp and align the harp nipple (B) with the opening at the top of the shade so that the nipple protrudes through the opening.
4. Attach finial (A) and to secure the shade.
5. Insert bulb (not included) into threaded socket (E).
6. Plug into proper electrical outlet and test fixture.
7. Assembly is complete.

Care Instructions:

- Keep away from moist areas and direct sunlight to preserve lamp aesthetic.
- To clean, unscrew shade from lamp base and wipe fixture with a soft dry cloth.
- Always avoid the use of harsh chemicals or abrasive as they may damage the finish.
