

POTTERY BARN

Reindeer Tiered Stand Assembly Instructions

Parts Included:

- 2 Plates
 - Top Plate
 - Base Plate
- 2 Stainless Steel Stand Pieces
 - Top Stand Piece
 - Middle Stand Piece
- 1 Screw
- 4 Plastic Washers

Top Plate

Base Plate

Top Stand Piece

Plastic Washers Screw

Middle Stand Piece

Assembly Instructions:

1. Place a plastic washer on the screw.
2. Insert the screw through the pre-cut hole on the larger plate with the plastic washer resting against the plate. This will be the base of the stand.
Note: Make sure the plastic washer's rest against the plates to prevent the stainless steel stand pieces from scratching the plates.
3. Rest a plastic washer over the pre-cut hole on the top of the base plate.
4. Screw the middle piece to the base screw emerging through the base plate. Make sure the washer rests against the middle stand piece.
5. Place a plastic washer on the top portion of the middle stand piece.
6. Rest the top plate on the stand middle piece and align the pre-cut hole with the washer.
7. Place a plastic washer over the pre-cut hole on the top plate.
8. Screw the top stand piece through the washer and pre-cut hole on the top plate to connect with the middle stand piece to complete the Reindeer Tiered Stand.
