Importan Safety Instructions:

- These instructions are provided for your safety. It is very important that they are read carefully and completely before beginning the assembly and installation of this lighting fixture.

- This portable luminaire has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug. Do not attempt to defeat this safety feature.

- This fixture has been rated for up to one (1) 60-Watt maximum TYPE A standard incandescent light bulb (not included) or one (1) 13-Watt compact fluorescent light bulb (not included) or one (1) 9-watt LED light bulb (included). To avoid the risk of fire, DO NOT EXCEED THE RECOMMENDED LAMP WATTAGE.

- Use with approved Pottery Barn shades only, having a minimum opening diameter of 3-1/2 inches and a minimum lamp-to-shade spacing of 3 inches.

  The lampshade is not included for the lighting fixture and can be used with a lampshade that have the open top and open bottom construction.

- This lamp is meant for indoor use.

- Save these instructions.

WARNING:

- To reduce the risk of fire, electrical shock or personal injury, always turn off and unplug the light fixture and allow it to cool prior to replacing the light bulb.

- Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.

- Keep flammable materials away from lit bulb.

Pre-assembly:

- Remove all parts and hardware from box along with any plastic protective packaging.

- Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

Parts Included:

(A) Finial (1)
(B) Harp Top (1)
(C) Harp (1)
(D) Harp Caps (2)
(E) Socket (1)
(F) Saddle (1)
(G) Lamp Base (1)
