Thank you for your purchase.

Assembly Instructions:

1. Inserting metal anchors into the wall and attach the Coll TP Hid into anchor tightener.

2. Previously installed drywall plastic anchors and attached Coll TP Hid

Pressure will stop the frame just inside the wall. Slowly turn the anchor clockwise while applying force into the anchors into the wall. They are designed to bore into the stud mounting:

1. Use a Phillips screwdriver to insert the plastic anchors. Do not "push."
