IMPORTANT SAFETY INSTRUCTIONS:

- For safety purposes, this lamp is equipped with a polarized plug (one blade is wider than the other). If the plug does not fit securely into your outlet, do not force it – contact a professional electrician. Use the plug with an extension cord only if it can be fully inserted into the cord’s socket. Never alter the plug in any way.
- These instructions are provided for your safety. It is important that they are read carefully and completely before assembling fixture.
- This fixture has been rated for up to one (1) 40-watt maximum TYPE B standard (candelabra) incandescent light bulb (not included) or one (1) 9-watt compact fluorescent light bulb (not included) or one (1) 5-watt LED light bulb (included for California customers). To avoid the risk of fire, do not exceed the recommended wattage.
- Save these instructions.

Warning:

- To reduce the risk of fire, electrical shock, or personal injury, always turn off and unplug lamp and allow it to cool prior to replacing light bulb.
- Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.
- Keep flammable materials away from lit bulb.

Installation Instruction:

1. Install one (1) 40-watt maximum TYPE B standard (candelabra) incandescent light bulb (not included) or one (1) 9-watt compact fluorescent light bulb (not included) or one (1) 5-watt LED light bulb (included for California customers) into socket.
2. Adjust the shade position at knob (B) with the help of bar (C).
3. Remove plug cover from plug.
4. Plug into proper electrical outlet. Installation is complete.

Care Instructions:

- Wipe with soft dry cloth only
- Always avoid the use of harsh chemicals or abrasives as they may damage the finish.
