Important Safety Instructions:
· For safety purposes, this lamp is equipped with a polarized plug (one blade is wider than the other). If the plug does not fit securely into your outlet, do not force it – contact a professional electrician. Use the plug with an extension cord only if it can be fully inserted into the cord’s socket. Never alter the plug in any way.
· These instructions are provided for your safety. It is important that they are read carefully and completely before assembling fixture.
· This fixture has been rated for up to (1) 60-watt TYPE A standard bulb (not included). To avoid the risk of fire, do not exceed the recommended wattage.

Warning:
· To reduce the risk of fire, electrical shock, or personal injury, always turn off and unplug lamp and allow it to cool prior to replacing light bulb.
· Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.
· Keep flammable materials away from lit bulb.

Pre-assembly:
· Remove all parts and hardware from box along with plastic protective packaging.
· Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

Parts Enclosed:
· Mounting plate (A)
· Socket (E)
· Back plate (B)
· Shade (F)
· Adjustable screw (C)
· Shade ring (G)
· Upper lamp body (D)

Hardware Enclosed:
(2) Mounting screws (a)
(4) Plate screws (b)

To Assemble:
1. Place the mounting plate (A) against the wall at the desired location. Mark the location of the mounting holes on the wall using a pencil. Secure the mounting plate to the wall with the mounting screws using a screwdriver.
2. Attach the back plate (B) to the mounting plate, making sure to align the pre-drilled holes in the back plate with the pre-drilled holes in the mounting plate. Secure using the enclosed plate screws (b). Tighten with a screwdriver.
3. Unscrew the shade ring (G) from the socket.
4. Place shade (F) into the socket. Secure by turning the shade ring in a clockwise direction.
5. Insert a bulb Max 60 W Type A (not included).
6. Slide upper lamp body (D) to a desired location
7. Turn adjustable screw (C) until tight.
8. Plug fixture into outlet.
9. Assembly is complete.

Care Instructions:
· Clean with a soft, dry cloth or static duster.
· Always avoid the use of harsh chemicals and abrasive cleaners as they may damage the finish.
