Important Safety Instructions:
• For safety purposes, this lamp is equipped with a polarized plug (one blade is wider than the other). If the plug does not fit securely into your outlet, do not force it – contact a professional electrician. Use the plug with an extension cord only if it can be fully inserted into the cord’s socket. Never alter the plug in any way.
• These instructions are provided for your safety. It is important that they are read carefully and completely before assembling fixture.
• This fixture has been rated for up to (1) 60-watt maximum TYPE T standard bulb (not included). To avoid the risk of fire, do not exceed the recommended wattage.

Warning:
• To reduce the risk of fire, electrical shock, or personal injury, always turn off and unplug lamp and allow it to cool prior to replacing light bulb.
• Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.
• Keep flammable materials away from lit bulb.

Pre-assembly:
• Remove all parts and hardware from box along with any plastic protective packaging.
• Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.
